Skill Level

The following guidelines are to assist you in choosing a skill level.

**Starter** is for the beginner looking to build solid fundamentals. The starter is an individual, who has never had a class, only had experience in a show, only trained at a workshop or wants a review and training in basic work.

**Basic** is for individuals who have achieved a fundamental physical vocabulary of demonstrable skills such as: lines of attack, lines of defense, footwork, and partnering skills.

**Intermediate** is an individual with a command of fundamental techniques. Intermediate students will be expected to easily accomplish basic to complex choreographic phrases.

**Advanced** is an individual with significant command of their corporeal being, a complete physical vocabulary of weapons techniques, strong acting skills, and a bold and saucy attitude.
